PFFS Annual Sleepover

Our annual 'Sleepover' will open at 6:30pm on Friday, February 14th with students being checked into the 'Sleepover' by a guardian. Once checked in, students will not be allowed to leave the building until 9:00am the next morning. Students may not wait at the school after the 3:30pm dismissal for the sleepover to begin (even if they are in AfterSchool, they must arrive between 6:30-7:00pm **with a guardian** to check-in). Students must be picked up by a guardian at 9:00am the following morning. Activities at the sleepover will include board games, organized group games, listening to music, telling stories, and/or watching a movie together (movie will be rated PG or G).

As in past years, students have signed up (see form on back) to bring something to share for a potluck in the evening and breakfast the next morning, and/or money to order food delivery. Please make sure your young person brings what they committed to bring. Sleeping arrangements will be boys in one room, girls in another with lights out at 11:00pm.

The permission slip below is due by the end of school on Friday, February 7th. If the signed permission slip is not turned in by that time, your student may not be able to attend the sleepover.
