

Paulo Freire Freedom School AfterSchool Program

Our **AfterSchool Program** was developed to supplement the courses scheduled during the regular school hours. It is not our intention to make money on the AfterSchool program, however, in order to cover the costs associated with supervision, the program is fee-based (clubs are free however). Students staying at Paulo Freire after 3:45pm **MUST** be enrolled in an AfterSchool class or club. If there is an emergency and a student has to stay late, please contact us.

Homework Help/Study Hall (Monday, Tuesday, Thursday, Friday)

Every day after school (except Wed) there is a study hall option. Homework Help/Study Hall is held in the Sky room from 3:45-5:00 and is a quiet place for students to do their homework. It is monitored, and the adult can provide assistance if the student requires it. It is quiet so students are able to concentrate on their work. If/when students finish their work they may read, write or draw quietly or play a quiet board game with friends with permission.

AfterSchool Clubs

We do not currently have AfterSchool Clubs, but will likely add them as we learn what our students are interested in doing. Clubs offered in the past include Strategy Club, Green Club, Glee Club, Writing Club, Dancing Club, and Theater Group. We will notify you in the future when these have been determined for this year. Additionally, some of the Afterschool program organized by City High School might be available as well. Those opportunities start after Labor Day.
