

SEPTEMBER 10

EDCAMP TUCSON

8:30am – 3:00pm

Calling all Tucson teachers, school leaders, and community partners who are passionate about what they do and want to share ideas, questions, skills, and enthusiasm about teaching & learning with others... **Join us for the 3rd convening of Edcamp Tucson!** As part of the Edcamp philosophy, participants will construct the agenda together during the first part of the day. This allows us to maximize the expertise and passion of those in the room - and to create a dynamic learning environment that is responsive to real-time needs, interests, and collaborations. We are trying out a longer format on the 10th. We will start with conference check-in and breakfast/networking at 8:30am, kick off the official program at 9:00am, jump into participant-created, small sessions for the morning, have lunch for all participants mid-day, and continue programming until 3pm. The event will take place in downtown Tucson at 47 East Pennington Street.
